## **Appointments and Cancellations Policy**

Thank you for trusting us with your Eyecare. When you schedule an appointment, we set aside time specifically for us to provide you with the highest quality of care. Should you need to cancel or reschedule an appointment, please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment. This allows us to schedule other patients who may be waiting for an appointment.

### **Please carefully review our Appointment Cancellations and No-Show policy below.**

We, at Eye to Eyecare, understand that sometimes you may need to cancel or reschedule your appointment. However, please understand that when a patient does not show up for their scheduled appointment, it creates an unused appointment slot that could have been used to allow care for another patient. To be fair to all of our patients, we here at Eye to Eyecare have instituted the following policy:

- Please contact the office to cancel your appointment at least 24 hours in advance. This will allow us to accommodate other patients who are seeking an appointment.
- If you do not cancel your appointment 24 hours in advance and do not present to the office for your appointment, this will be documented as a "No-Show" appointment and you will be charged a \$25 No-Show Fee per incident. Please note, the cancellation fee amount is at the discretion of the office.
- Repeated rescheduling, in some cases even within the 24 hours period, may result in a "Walk-In Only" status on the Patient's account, and the \$25 No-Show fee may be assessed.

You may contact the office at 281-565-3937, via call or texting. Additionally, you can also reach the office via email at [Contact@EyeToEyecareTX.com](mailto:Contact@EyeToEyecareTX.com).

Thank you for your understanding of our policies.

**By signing below, I hereby state that I have read, understood, and will abide by the above Appointments and Cancellations Policy.**
